Re: **Alan Seward v. Det. Camilo R. Antonini, et al.**  
**20-cv-9251 (KMK)(PED)**

Dear Judge Karas:

The Quinn Law Firm represents Defendants in the above-referenced matter. We are writing for permission to file an exhibit in support of Defendants' motion for summary judgment under seal.

The exhibit, which will be labeled Defendants Exhibit I-1, consists of a brief declaration from Det. Robert G. Puff which details practices and record keeping concerning controlled purchases of narcotics by confidential informants (and the controlled purchase of crack cocaine which took place in this case), along with an unredacted copy of the affidavit that Det. Puff signed in support of his application for a search warrant to search plaintiff and subject premises at issue. These documents contain sensitive information concerning law enforcement techniques, practices and procedures involving confidential informants, and we submit should be filed under seal.

Plaintiff's attorneys consent to this application.

Respectfully submitted,

The Quinn Law Firm, PLLC
